THE STATE OF OUR CEMETERY

CLC inherited the cemetery from St. Luke's Lutheran when the congregation closed.

CLC also inherited funds to care for the upkeep, but these funds will run out in the near future. During the height of the season, it costs \$1000 a month for mowing and trimming.

Presently, our Congregational Council is looking at our options. Our goal is to find a long-term solution that provides ongoing upkeep and care.

If you feel moved to help with a short-term solution, you can contribute to this year's cemetery care by placing a check in the offering plate, noting "Cemetery Care" on your check. **Pastor Scott**

LUTHERAN DISASTER RESPONSE

Friends,

A series of powerful and destructive tornadoes has ripped through parts of the central U.S., leaving destruction in its wake. In Missouri, at least three people have been killed, homes and businesses have been destroyed, and rescues are still underway. Tornadoes have also been reported in Oklahoma, Iowa, Texas, Louisiana and Arkansas. These tornadoes were part of a series of more than 170 weather events to strike the region in the last week, with the potential for more severe weather in the coming days.

Lutheran Disaster Response is working with those in the impacted states, including local synods, congregations and social ministry organizations, to provide immediate relief and long-term support. Gifts to Lutheran Disaster Response designated for "U.S. tornadoes" will be used entirely (100%) to help those affected by tornadoes until the response is complete. With gratitude for your partnership in ministry,

Daniel Rift

CLC GOALS FOR 2019

At their Leaders' Retreat, the staff, Admin Team and Congregational Council looked at the key traits of healthy and growing congregations. Working together, they chose to focus on five goals for 2019: **1. Children's ministry that kids don't want to leave.** Imagine kids being in an environment that allows them to understand God's love for them while being invested in by caring adults who partner with parents to disciple them. **2. Genuine heart for the lost and the desire to embrace the mess.** Growing churches aren't just conscious of the lost, they pursue them and are ready to take on the messes of life they may bring. **3. Clear outward focus.** Their members intentionally know non-believers with budget spent to start new ministries and expand services. **4. We have a strong core group, but also equip and invite others to serve.** Long-term members open the door for new members to serve, equipping the next generation to lead the church into the future. **5. Shareable Church Communication that Inspires and Informs.** A church that is healthy communicates constantly.

GEARING UP FOR CONTEMPORARY WORSHIP

We're hoping to launch our new contemporary worship service on Saturday, September 7th, at 6:00 on Rally Day weekend.

Contemporary worship requires a few basics:

- A reliable group of musicians: keyboard(s), guitar, bass guitar, and drums at a bare minimum.
- An engaging worship format.
- Some method for visually displaying the lyrics of songs. Younger generations want to look up and sing without a bulletin or hymnal in hand.

After much hard work, we've found a group of reliable, excellent musicians, both from within and outside the congregation. Just like paying an organist, we will need to pay musicians who come to us from outside the congregation. In today's congregations, this is routine. Contemporary musicians work just as hard to perfect their art as do organists and other traditional church musicians. It's a new day!

We're also well on the way to completing an engaging worship format that is upbeat and uplifting. Although Heart and Soul was a beautiful worship service, it clearly did not attract the new worshippers we were looking for nor did it attract younger folks. We also will try our new worship opportunity at 5:00 on Saturday.

Finally, every congregation that has a contemporary worship service has some way to visually display lyrics. There are two choices: a large screen or television monitors.

After much research and discussion by your Congregational Council and others, inside and outside CLC, we are recommending television monitors. A large screen or screens would negatively impact the beauty of the altar.

Television monitors, attached to the pillars, will allow provide easy and comfortable viewing and, when not in use, lay flat against the walls.

In addition to their use during the contemporary service, we can televise announcements, run video of youth events and congregational activities, and display images and graphics during sermons.

Graciously, Eric Stennett and Beth Rios are donating the Television monitors and all necessary supporting technology!

Communion to Shut-Ins

Steve Slepecki, our Minister of Visitation, reports that 24 Shut-Ins have been visited and given Communion during the month of May. This involved significant energy and time, and is most appreciated.

Thanks to Steve and Julie Slepecki, Bernadette Thompson and Amy Shaufl for bringing the love of Christ and Congregation to our Shut-Ins. *Thank you for your commitment to this ministry!*

LUTHERAN ADULT STUDIES at CLC

John Curry is teaching a Bible study on the **Acts of the Apostles at 4:00PM on Sunday afternoons** so you can combine the study of Scripture with faith.

The Book of Acts is our Christian Field Manual that teaches how to evangelize and let those we know well, and those we meet in daily life, about the amazing grace of Jesus Christ. It is our outline for Jesus' Great Commission, along with all the terrific accounts of travels and encounters with people whose humanity was uplifted and healed.

Presently, John serves as Vice-President of East Liberty Lutheran Church.

Steve Slepecki's **10:00AM** study of **Luther's Small Catechism will break for the Summer.** Steve serves as CLC's Minister of Visitation to our homebound, and is exploring the path toward ordained ministry.

Lord, remember us in your kingdom and teach us to pray:

THE LORD'S PRAYER

Our Father, who art in heaven, hallowed be thy name, Thy kingdom come, Thy will be done, on earth as it is in heaven.

Give us this day our daily bread; and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever and ever. Amen.

IF YOU WANT TO HEAR THE SERMON, NOW YOU CAN! We love having children—and lots of them—at worship, and we want parents to be spiritually nurtured by worship, prayer, and preaching. Our Nursery is up and running each Sunday. Not only that, the Nursery is staffed by qualified childcare providers who supply consistent and competent childcare Sunday after Sunday during Worship. You’ll find the Nursery next to the CLC Choir rehearsal room.

Thanks to Becky Nyren for replacing both Pew Envelopes and Pencils on her own initiative in May. The blessings that enter the Church through its members often have much bigger impact than we can imagine.
